BASIC TERMS FOR UNDERSTANDING SATANIC ART

Darkness, the abyss is the world of unspiritualized critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of SOCG[1]. This is an image of the evil of our world. In some cases, it will mean the opposite meaning, because it is the evil of darkness that gives rise to hell, vengeance and Satanists. "Children of darkness" in this case means Satanists. Also, the image of darkness can mean Hell for the forces of evil. The image of darkness and the abyss is an important and meaningful term in Satanism.

Light is Satan, Lucifer. Light is Satanism and satanic spirituality, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the tamer of evil in our world and in hell

Sadness, grief, regret is an indication of the understanding that evil has engulfed the whole world and a Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG and religion. This is the definition of the term specifically for Satanism and for Satanists. Also, these images can represent ordinary human emotions towards people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in hell. Unspiritualized critters, leaders of the SOCG, deceivers of religions and other evil will certainly be subjected to vengeance and information entropy.

Returning the earth and returning freedom to people - this image is important for all Satanists. It means the overthrow of all SOCGs and religions, the cleansing of the earth from unspiritualized critters, from their stupid and senseless evil. This is an image of the cleansing of planet Earth from states and their totalitarianism.

Night is an image of what a Satanist in the world of evil of our world is almost groping. The light for him in the night is his satanic spirituality. Darkness deepens at night and light is needed most at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in navigating, acting, and living without light.

Lost, abandonment and abandoned - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through satanic spiritualization. This also means that in our world Satanists do not have their magic to instantly destroy evil, as in hell, in Satan's native dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan; therefore, they replace Satanic spiritualization with god and religion.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and god is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with SOCG chieftains.

Satan is not a god. Satan is a Teacher for a Satanist, a spiritualizer, a source of black magic, Alpha and Omega. Satan is the Adversary of evil. Satan is the Accuser of evil. Satan is the Tamer of Evil. Satan is the Father of all Satanists. Lilith is the mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the inner spiritualization of the Satanist, not the dogmas, sermons of priests or books of religion. At the same time, Satanism does not deny the importance of biological parents.

[1] SOCG is an abbreviation that stands for the true meaning of the state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART 18

Image 1501. Satan is horrified by the stupidity, nastiness and brainlessness of the critters that are the main fertile biohumus of evil. The main villains: gangs of the SOCG, religion and stupid greedy freaks, of which more than 90% of the population of planet Earth 19

Image 1502. Satan drags the evil critter to Hell for a good and long roasting 20

Image 1503. The Kremlin's evil critters, Vladimir Putin, the tsars, the high priests and their religion, the USSR's false pentagrams stolen from the Satanists are burning in the entropy of Hell's purification. In our world and in the other world, the dimensions of Hell 21

Image 1504. Believing zombies of different faiths attack people. Religion is opium for critters before their long entropy in Hell 21

Image 1505. The leaders of the SOCG of Europe and other occupied lands will burn in the entropy of Hell for occupying the land of people and imposing their fascist evil order. The figures of the senseless rule of the SOCG are evil 22

Image 1506. The anarchist flag poster is similar in spirit to the Satanic banner, only without the inspiration of Satan. The letter A lacks two sticks to Satanism: one stick is the Spirit of Satan, the second stick is the Entropy of Hell 22

Image 1507. The Evil of Religions Begets Evil: The Unnatural Generation of Suffering INRI 23

Image 1508. Satanism gives birth to the overthrow of evil, blasphemy and perverted mockery of the world of evil critters led by Satan and other Demons of Hell. Blasphemous drawing with a hellish slingshot 24

Image 1509. Orwellian states of America. Only government can use deadly force. Obedient citizens don't need guns. Weakness is strength, Self-defense is unpatriotic. Peace through surrender. Orwell's work remains influential in popular culture and in political culture, and the adjective "Orwellian"—describing totalitarian and authoritarian social practices 25

Image 1510. The Evil of Religion and Fascism against the Forces of Hell. The Evil Dove of the SOCG and Christianity against the Satanists 26

Image 1511. The world of an alternative reality of our world with a kind faggot-satanist Vova Putin 26

Image 1512. Evil stole the satanic pentagram from the satanists and uses it everywhere in our world. Many SOCG use stars on flags, in militarism and other evil that they organize. Theft and appropriation of satanic symbols - the pentagram sign - is a guilty verdict for the members of the SOCG gang from the Antichrist and Satan. You have violated all rights to use the satanist logo, critters! 27

Image 1513. Protest and survive. Satanist metalheads forgiving the evil of the SOCG. Poster or cover of a music disc . 28

Image 1514. The canonical image of a dumb critter, one of the gray mass of evil biohumus. Also, the picture is an icon of consumerism of the critters of our world 29

Image 1515. The evil of the SOCG is embodied. Evil relies on human biohumus, which supports this evil with conformism and voluntary participation in evil, observing the laws of the SOCG and the dogmas of religions 30

Image 1516. Obey with caution. Blind Acceptance can be hazardous. Poster against propaganda of evil SOCG 31

Image 1517. Obey with caution. Conformity can heighten anxiety. Poster against conformity with evil 32

Image 1518. SOCG, religion and patriotism suck the brains out of children and adults 33

Image 1519. Antichrist and the forces of Satanism among the evil critters. Evil will be subject to entropy in Hell and in our world 34

Image 1520. Adults do not want to see the problems with evil around them, they hide their heads in the sand like ostriches. Such gray critters make up the majority of the population of planet Earth 35

Image 1521. Satanist goes his own way. Satanist denies religion and does not listen to the propaganda of evil..... 35

Image 1522. High priests of religions in front of the image of the female symbol "Mirror of Venus". In fact, Venus personified the ideal woman: beautiful, independent, strong, intelligent and at the same time passionate. Her priestesses-hierodules gave love caresses to every visitor to the temple who wished 36

Image 1523. Satan came to the house of the sectarians - Behold me, critters! 36

Image 1524. Do as he says, not as he does. Icon of Evil SOCG 37

Image 1525. Parents, members of a religious sect, want to drag their children into the sect. Another possible meaning of the drawing: adult uncles and aunts drag a new generation of critters into religion 38

Image 1526. Religion Inc. To fool you is our business. Our business is to deceive you. Christian sectarians have made the Satanist Jesus of Galilee their god of evil and are making money off his name. The problem with Christianity is that their teaching is a lie and an evil method to prevent Satan from inspiring people. 39

Image 1527. People who have been put through the meat grinder of the city, i.e. through urbanism, turn into city dwellers 40

Image 1528. Satan is a horror for the critters of evil, already during their life in our world. The critters guess that revenge for their evil deeds will come from the forces of Hell. In our world and in Hell. The entropy of their essence 41

Image 1529. The critters of evil and the high society of the SOCG are the bearers of ugliness, stupidity, narcissism & narcissistic personality disorder (NPD) 41

Image 1530. Atheist. Poster from a Soviet anti-religious magazine. It is profitable for the bourgeoisie (i.e. the SOCG) armed from head to toe to preach "Love your enemies" 42

Image 1531. The Ziga (Zig) is a sign of fascists. It is an ancient sign of empires and critters, lovers of the SOCG 43

Image 1532. Hitler's swastika became Putler's Z-th letter during the attack on Ukraine. As long as the SOCG exists, there will be wars, militarism, propaganda, mass strife between nations, borders of occupied territories 43

Image 1533. The pyramid of the capitalist system of 1911. In 2025, nothing has changed much. The critters do not learn from the mistakes of the past, but continue the pattern of evil, supporting class oppression and the capitalist system. Of course, capitalism has economic advantages, but power must turn into a system of economic self-government. The creation of SOCG fascisms must be prohibited and destroyed in embryo form. Fascism here is at all levels, above the bottom 44

Image 1534. Quasi-Satanic posters by artist Frank Shepard Fairey. Frank Shepard Fairey (born February 15, 1970) is a contemporary American artist, activist, and founder of OBEY Clothing, who emerged from the world of skateboarding. 45

Image 1535. The meat grinder of the SOCG (state) turns people into income for its life. The SOCG is a parasite on critters, creates a system of evil for deception, enslavement and turning people into mincemeat in war and in peaceful life. The meat grinder of the SOCG grinds all over the world. Any country is a meat grinder of the SOCG 45

Image 1536. The critters pray to evil and give birth to their own kind of freaks. The fascists always demand to give birth more, give birth faster and give birth to the most senseless offspring. This offspring of gray critters serves as biohumus for evil..... 46

Image 1537. The Evil of the US SOCG. All Masks Off. Donald Trump, the 47th President of the United States, has especially clearly removed all masks from the US democracy-shitocracy..... 46

Image 1538. Enjoy the fruits of our labor! Lemons for the treat of lovers of SOCG and other freaks of evil. 47

Image 1539. Entropy in Hell, the transition to the world of Hell. Critter, you have lied all your life. Behold your nullity! 48

Image 1540. Information noise closes people's minds. The media is part of fascism and evil 49

Image 1541. The leaders of the Kremlin's rashist SOCG are pulling a barge with Russian orcs into the future. They are all villains, psychopaths and mass atrocity maniacs 49

Image 1542. I want you to vote for the shit you support. Poster against the illusion of democracy and false freedom of choice among the politicians of our world. 50

Image 1543. Bad religion. Jesus of Galilee Riding a Bomb from Good Christians 51

Image 1544. Obey, never your own eyes, believe what you are told. Poster against propaganda of evil 52

Image 1545. The most law-abiding man in Germany, who wanted greatness for Germany. After being sent to Hell, he became one of the most hated people by Germans. This is the entropy of evil in our world. 53

Image 1546. The critter, limited by its USA SOCG, stuffed with patriotism and the greatness of the USA, will be eaten by the monster of evil fascism. There are many such critters in the USA and in other countries. Evil will eat the life and consciousness of patriots - the fertile biohumus of the evil regime of fascism 54

Image 1547. Pyramid of Russian Tsarism. A picture similar to the pyramid of European-US capitalism, with visual nuances. The drawing was made in 1917, i.e. during the revolution in Russia. 55

Image 1548. Religious evil is dead already in life. All dogmas, moral teachings of religion are paths to spiritual death. The inner enlightenment of the Satanist is the path of life. The dead in spirit in our world give instructions to the flock on how to behave. They are called priests, plains, mullahs, brahmins 56

Image 1549. Evil in a cap. Icon of evil. The regime's guards and militarists wear caps. They are mercenaries of evil, which is dressed in jackets. D. Trump was perplexed and outraged by V. Zelensky without a jacket. 57

Image 1550. The evil of US imperialism has entangled the entire world in its values of militarism and financial gain.... 58

Image 1551. An ensemble of famous fascists of our world: Hitler, Stalin, Mao, Trump..... 58

Image 1552. Make art, not war. A Quasi-Satanic Poster About How Spiritual People Want to Live, Including Satanists 59

Image 1553. Religion is deep inside the critters of evil. Religion is a cheap and false substitute for the true spiritualization of man. 60

Image 1554. The Cruelty of the Inquisitors of Religion. The Inquisition and Fascism worked together to punish people for having genuine spirituality. Not all of the victims were Satanists, of course. Now these freaks of the Inquisitors are in hell, along with their flock of informers. 61

Image 1555. Satan is the Adversary of evil and the Accuser of evil. Satanists love Satan and want to be like their Teacher. Death is physical entropy for the critters of evil in our world. An old engraving with a SOCG statesman, Satan and Death. 62

Image 1556. The young sectarian feels the power of Satanism. Sectarians call it temptation. Slut Sodomia calls it the true natural inspiration of Satan. And religious hypocrisy is a sham. 63

Image 1557. Don't be stupid, you're not a slave! Anti-religious poster from the Internet..... 64

Image 1558. If Satanism was a religion, then Satanic icons might look like this. 64

Image 1559. One man among a hundred critters. The critters look like people. But not quite, inside. 65

Image 1560. Who works on Shabbat - goes straight to Hell! I'll tell you a secret: those who rest also go there. Religion does not save from going to Hell. Religion harms the true spiritualization of Satan 65

Image 1561. Animal Farm. 1984. George Orwell. The Utopia of Modern Fascism 66

Image 1562. "Priests" of different religions are engaged in similar business. The main evil of this business is lies..... 67

Image 1563. "Holy" Inquisition. The Catholic Church was, is and will be (for the time being) an evil sect 67

Image 1564. The "Holy" Inquisition tortures a person. They demand a confession of "love" and "loyalty" to the sect .. 68

Image 1565. At birth, the child immediately falls into the clutches of the evil SOCG..... 68

Image 1566. The image of Jesus from the sufferings, critters and evil of the SOCG and the religion of a thousand years ago 69

Image 1567. Give the god of Jewish fairy tales of religion a fuck-finger. Abrahamic nonsense is not for Satanists..... 70

Image 1568. Muslim Chieftain Plants Bombs in the Brains of His Wild Sheep-Loving Flock..... 70

Image 1569. Nuns and other religious fools are the most evil critters. It is not surprising - they chose a lie and squandered their lives on pleasure. Now they are hypocritical, cynical and evil. The image based on the film " The Nun I-II" 71

Image 1570. "Decent" family. This family of critters belongs to the gray mass of "respectable citizens". Instead of heads, these critters have a set of templates and lies that are broadcast on TV..... 72

Image 1571. In 1633, the Inquisition trial of Galileo Galilei, an Italian scientist and one of the founders of exact natural science, took place. Galileo was put on trial for his active defense of the heliocentric system of the world..... 73

Image 1572. Lobotomy by the Crucifix Holder. The leaders of various Christian sects forget that the torment of the Satanist Jesus of Galilee was committed by the fascists of the Roman SOCG and the Jewish high priests to "save humanity". The evil of religion and the state does nasty things to "save" the critters? And what if the same evil actions were done to the priests to save humanity from their lies? 74

Image 1573. Soviet anti-religious poster. God with various saints – i.e. with crazy sectarian critters. More details about the “Lives of the Saints” can be read in Orthodox collections, which were called “Lives of the Saints”. A large number of their volumes were published..... 75

Image 1574. The Muslim sectarian is infected with a dose of religion, like a meat grinder loaded with brain mince 76

Image 1575. Religion and the SOCG always work together. The Inquisition is now replaced by other harassments 76

Image 1576. The illusion of democracy. If you think that you go to the polls and choose "your candidates" or "your policy", you are mistaken. Electing unknown critters who are better than others at pulling the wool over your eyes is not a rational action. Everyone who goes into politics is either a vile critter (more than 90%) or naive people (1-10%). 77

Image 1577. Freaks and leaders of fascism in a caricature. I imagine how they are fried in a spiral in Hell. 78

Image 1578. Europe has warmed not only ordinary savages, but radical Islamic terror has also firmly put down its roots of evil. Caricature with an Islamic wolf and European sheep..... 78

Image 1579. Sectarians are guided by the dogmas of religious teachings. The Koran, instead of reason, awareness and genuine spirituality, leads critters to the Hell of entropy. Sectarians live a meaningless life in lies and in the filth of their dogmas. 79

Image 1580. Christian sectarians are very fond of using symbols with a torture machine on a cross, with a person nailed to the cross. In Hell, they will be able to enjoy their favorite attribute of torture. 80

Image 1581. Christian sectarians are against feminism and against recognizing women as equal people. Transphobia, homophobia and other types of sexual hypocrisy are attributes of their church..... 81

Image 1582. War, religion and army exist only together. Poster from the Internet..... 82

Image 1583. The image of Soviet propaganda and the critters who listen to it 83

Image 1584. Imperialism and Religion. Poster from a Soviet anti-religious magazine 83

Image 1585. The head of the high priest in the hands of Satan-Baphomet..... 84

Image 1586. A child in the world of evil is under the hammer of the dogmas of evil of previous generations and the system of violence of the SOCG 85

Image 1587. The Canterbury Inquisition in 1555. Fascists and sectarians are connected 85

Image 1588. Torture in court was practiced by Christian sectarians and feudal fascists 86

Image 1589. Satan repays the Christian lie to evil. This is a figurative picture. The Satanist Jesus of Galilee did not create the lie of Christianity, he did not even write the grimoires himself. However, evil used the image of the Satanist Jesus for its own vile purposes and created a religion of worship of evil and non-resistance to evil. 87

Image 1590. The face of evil is the face of an evil monkey. The face of fascism GOPP, the servant of evil 88

Image 1591. The astral face of the damned freaks of religion and the servants of the SOCG. 89

Image 1592. Religion is a deception for cattle. Poster from the Internet 89

Image 1593. The Pope is the leader of the Catholic sect. The Catholic sect has always supported power, fascism, the state, the regime, totalitarianism, mass executions, injustice and evil 90

Image 1594. The freaks from Russia are incorrigible critters. Even 35 years after the collapse of the empire of lies and violence of the USSR, the critters from Russia dream of the return of their traditional evil. V. Putin is promoting the idea of restoring the Soviet empire of evil. These are the "traditional values" of Russians - to rob, to shit and to breed freaks 91

Image 1595. The path of a healthy person lies around the lies of religions. This path is chosen by conscious Satanists. 91

Image 1596. The army of critters is numerous and their entire existence is controlled by the propaganda of the SOCG and religion. 92

Image 1597. The forces of Hell terrify the servant of an evil sect 93

Image 1598. Zombie army of evil minions of the SOCG. All critters are well treated with the poison of the regime's propaganda 94

Image 1599. Damned sectarians in Hell and in our world 95

Image 1600. Satan in Hell among various critters. Torment and entropy for critters is carried out by all the forces of Satanism in Hell. Therefore, evil will suffer for a very long time and will not get used to the torments of Hell. All over again, all in a spiral. The awareness of evil of its insignificance and nastiness is the main method of informational entropy of evil. Critters are horrified by themselves 96

PREFACE

The theme of the album-collection SatanArt №16 is the Evil of the state, the deception of religion and other anti-satanic forces of violence against freedom and awareness of people.

The basis of evil are the soulless people themselves. The evil monkeys of the human species carry evil inside themselves, inside their genome. In different nations, races and populations this genome is different. The genome differs in the same way as the color of hair, eyes, skin in different nations of the world. If someone will tell you that all people are equal or that there are no differences among the population of people, then know - these people are lying to you. People differ significantly among different races and nationalities. The external influence of the intellectual environment also strongly shapes a person, develops him, or, on the contrary, degrades a person. The freer and more intellectual the society, the better the person himself becomes. The more wild, "cannibalistic" the society and the style of management of the SOCG, in the occupied territory, the worse the people are and the more evil is inside them.

However, the external differences between people of different nations and the differences in their environment do not affect the deepest processes in a person - this is the spiritualization of a person at a higher level than human society. The ability of a person to spiritualization distinguishes people from all other animals, plants, mushrooms and other forms of life. The spiritualization of a person is the opposition and antagonist to evil. There are two types of spiritualization of a person:

1. Creative spiritualization aimed at self-development, studying the world, self-realization, creating masterpieces, genius. This is the first stage of spiritualization. I call this stage of spiritualization CREATIVE. This stage presupposes a connection between a person and the External Information Field. All Satanists have this form of spiritualization.
2. The second stage of spiritualization is associated with the realization that our world is filled with evil and evil monkeys make up the bulk of the human population. Namely, the awareness of this fact and the understanding that the whole world is captured by evil in the form of the SOCG, religions and international criminal groups (ICG) give Satanists the strength to be inspired by Satan. This is the second stage of spiritualization and it makes a Satanist out of a person. I call this stage of the development of human spiritualization SATANISM. This stage presupposes a person's connection with the spirits of Hell, the main one of which is Satan. Satan is the Adversary, the Accuser and the Tamer of evil.

Any positive spiritualization will develop better if a person uses meditation and useful entheogens, which open a connection with the External Information Field and with the spirits of Hell. Satanists should use marijuana and magic mushrooms, the most accessible of which is the red fly agaric. Human spiritualization is no longer just a computer, but a computer connected to an information network, from which this spiritualization penetrates into human consciousness. Therefore, spiritualization is a higher level of development than animal instincts and basic human cognitive abilities. Cognitive abilities are a set of mental skills or abilities that allow us to process everything that surrounds us and thus be able to form an appropriate response to our environment. The most important mental abilities are: intelligence, memory, attention or understanding.

People can have degradation of spirituality, under the influence of forces that are opposite to the above-mentioned positive forces of human spirituality, i.e. opposite to creativity and Satanism. The degradation of spirituality can include such phenomena as:

1. Mental disorders of personality.

2. The curse of the people, the family curse of the clan, the genetic curse of belonging to an evil (in the past) society. Please, do not think that the curse does not exist or is a figment of the imagination of works of art. It has always existed and in other words, the curse can be called a historical pattern of development of a community or group of people. If you like to call the curse so, you can call it so.
3. Failure to resist evil, participation in evil, submission to evil, acceptance of evil.
4. Alcoholism and other pathological addictions. Moreover, the effect of these addictions is similar to the curse - children pay for the actions of parents with drug addictions. Alcoholics give birth to children with bad genes, with bad spirituality, with possible relapses of alcoholism in the next generation that they have bred.
5. Destroyed habitat - bad economy, weak technologies, animal life in the dirt, poverty, war.
6. Religiosity, stupidity of the population and its slave psychology.

Elements of degradation are not pleasant either for the critters themselves or for the people around them in the long term. People with degradation of spirituality create a disgusting environment around themselves, they litter, pollute nature with their garbage, their dullness and stupidity progress, and the ability to resist evil disappears. Their habitat, their society becomes vile and disgusting. Bright examples of such societies and peoples: Russia, Africa, India.

Thus, I have voiced the genesis[2] of the birth of evil in our world and its gnosis[3]. As you can see, the birth of evil is directly opposed to Satanism and spiritualization by Satan. If someone tells you that Satan or Satanism are evil, then know that this person is lying to you. Satanism is the opposition to the evil of our world and the force that restrains evil in our world.

I will dedicate the next grimoire of gay Satanism to the topic of identifying evil and fighting evil. In the first grimoire of gay Satanism, "Gay Lust," I touched on the topic of the emergence of evil and the peculiarities of its formation in the naked world. In the album SatanArt #16, I have collected 100 paintings, posters, and placards that expose the evil of our world in the form of a visual narrative. I will try to define the concept of "evil" from different sources and then formulate my version of the definition of this term:

EVIL is a normative-evaluative category of moral consciousness that characterizes negative moral values. The opposite of the concept of "good" is a category of ethics. Generally, denotes the morally negative and reprehensible in the actions and motives of people and in the phenomena of reality. It is used to characterize, understand, and evaluate harm, damage, and suffering. In a broad sense, evil includes negative human states and the forces that cause these states. In this sense, the term "evil" refers to everything that is negatively assessed by people or is condemned by them from any side. The question of the prevalence of evil or good in the world is the subject of a dispute between pessimists and optimists[4].

EVIL is a concept used in ethics to describe what is negative or harmful from a moral point of view in people's behavior and lives. In simple terms, evil means something that causes harm to other people or society. In our lives, we often encounter situations when someone does something bad or negative. For example, when someone steals, cheats, rapes, or physically hurts other people. All of these actions can be called evil because they cause suffering and harm to other people's lives. Evil can also manifest itself in our behavior. For example, when we cheat, say rude words, or intentionally hurt other people. All of these are evil because we harm other people and violate their rights. The assessment of evil depends on the moral standards and values of the society we live in. For example, in one culture, murder may be considered evil, while in another, drug

[2] Genesis (comes from the name of the Old Testament Book of Genesis - Latin genesis ← Greek γένεσις [genesis]) - beginning, origin, genus; birth; being, existence.

[3] Gnosis (gnosis) (from the Greek γνώσις - "knowledge") is the highest, esoteric, revealed, mystical knowledge. The central concept of Gnosticism.

use may be considered evil. It is important to remember that evil is a subjective concept and may differ in different societies and cultures[5].

EVIL is a value concept opposite to good (GOOD, BENEFIT), a cultural universal that is fundamental to morality and ethics. Evil encompasses negative human states (aging, illness, death, poverty, humiliation) and the forces that cause these states (natural elements, social conditions, human activity). The concept of moral evil defines what morality opposes, what it seeks to eliminate and correct. It applies to everything that arises as a result of the conscious efforts of the subject and his voluntary choice. The subjective characteristic of moral evil is sanity as the ability to control one's actions and be responsible for them. The objective characteristic is divided into formal and substantive. From the formal side, evil is classified as an activity that contradicts the moral norms accepted in a given culture (ultimately, the ideal); with the content it is an activity that has a negative meaning for the state of other people or the acting subject himself: it causes material or spiritual damage, causes suffering and similar negative feelings, leads to degradation. As the opposite of good, moral evil undermines the foundations of creative cooperation of people, spreading hostility between them and (or) depriving them of the highest human abilities. Through the concept of moral evil, culture 1) points out to a person the danger of his own activity, believing the source of destruction not in external reality, but in the subject himself, i.e. teaches him to be critical of himself; 2) warns against isolating individual abilities of the individual, focuses on composure and concentration. The concept of moral evil is gradually distinguished from the complex of negative assessments, in which it is fused with physical and social evil. The initial form of a negative assessment is the experience of pain, suffering and the emotions derived from them (fear, anger, resentment, etc.), in which a person is presented with destructive aspects of reality[6].

Now I will give a definition of the concept of evil from the Antichrist Slut Sodomia from the point of view of gay Satanism:

EVIL is a marker of damned critters, it is the absence or rejection of spiritualization, it is the deeds of critters to degrade their spiritualization.

As you can see, the definition of evil from Slut Sodomia differs from the classical definitions of this concept. In my definition there are no words morality, ethics, good, as opposed to the word evil.

The main bearers of evil in our world are:

1. Unilluminated critters.
2. Organized crime groups, gangs, crowds of critters.
3. States and systems of fascism, i.e. SOCG. This evil is engaged in mass crimes and stupefying people with propaganda in the occupied territories.
4. Religions. These are the most insidious liars, whose goal is to deprive you of true spirituality, replacing it with decorations and dogmas.

I will briefly explain the consequences of following the path of evil for critters. I covered this issue in the grimoire "Gay Lust" and in some previous SatanArt albums.

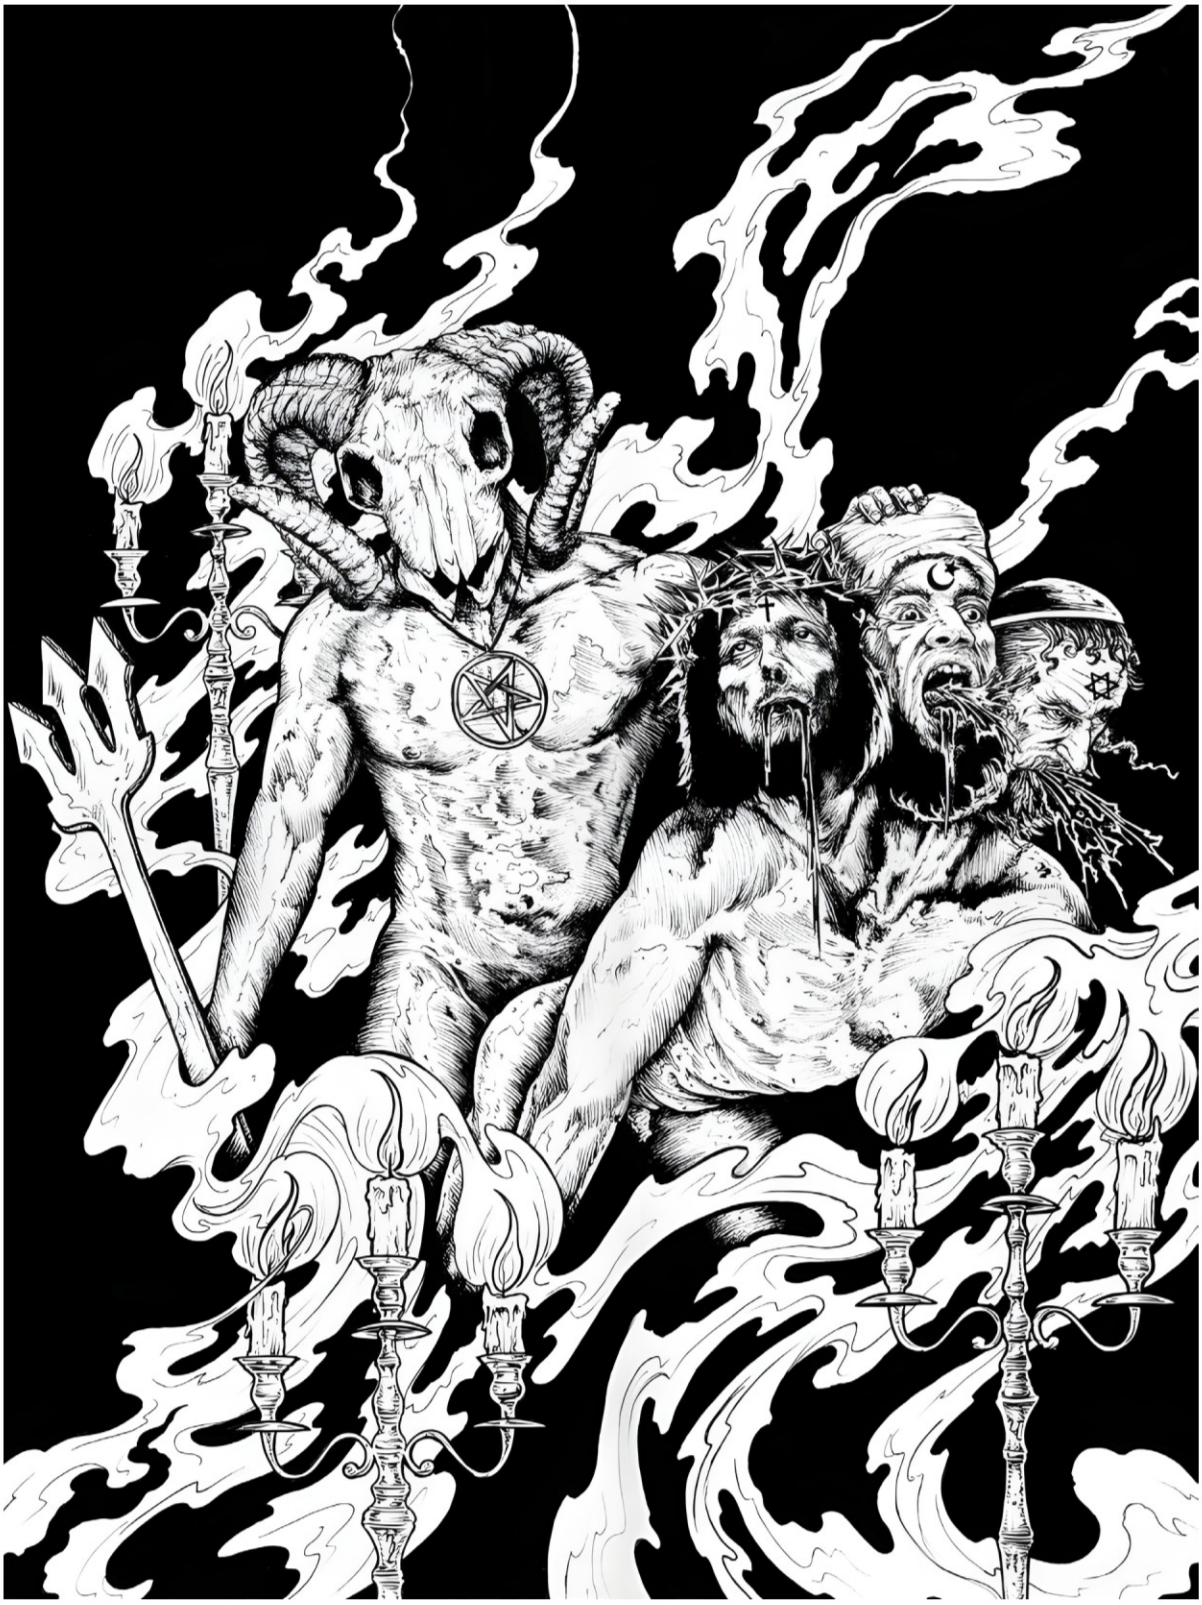

1. Entropy in Hell for critters is the final point of their following the path of evil. This is informational entropy. Similar entropy for evil occurs in our world, in the form of oblivion and condemnation.
2. Following the path of evil gives birth to the suffering of the critters themselves in our world. The birth of new offspring by critters prolongs this cycle of evil in a spiral.

3. A long stay in evil or doing evil gives birth to the curse of the people or the curse of the place inhabited by the people. Horror films about cursed houses are a superficial and artistic description of this process.
4. Long non-resistance to evil also gives birth to a curse, degradation and entropy. Therefore, it will not work to sit back, keep quiet and not notice the evil around you. Even if you do not do evil yourself, and do not resist evil, you become a participant in this evil.

I will make an important clarification regarding the fact that the term evil is very similar to the concept of stupidity. These two concepts can complement each other or accompany each other. I will devote a separate SatanArt album to the topic of stupidity, because stupidity, in some cases, is even worse than evil.

Stupidity is not just a lack of understanding or knowledge of some things or a lack of knowledge. We are talking about a completely different phenomenon. Stupidity is a conscious rejection of learning, a refusal of knowledge, a refusal to expand the horizons of one's consciousness, a refusal to analyze ideas, actions and their consequences. In a simplified sense, stupidity is a refusal of critical thinking. Fools cling to their shaky beliefs with amazing tenacity. Unlike evil, which can be curbed with the help of reason, stupidity is not susceptible to intellectual arguments. Stupidity resists the awareness of self-correction and any attempts to change it[7]. Stupidity brings evil and degradation to man, society and entire nations. Evil and stupidity are the cause of the entropy of critters in Hell. Stupid people resist progress, new ideas, and often advocate traditions, conservatism, stagnation and herd mentality. By these manifestations, you can calculate the stupidity of critters, even if they puff out their cheeks, pretending to be smart.

03/23/2025 Slut Sodomia created the official logo for SatanArt albums. Now I will use this logo for the textual-symbolic designation of my albums SatanArt such a logo:

S☆✝☆N☆R✝

For the Satanic music albums SatanSongs Bitch Sodomia will use this logo:

S☆✝☆NS✪NGS

Everyone who has the fire of Satan in them loves special Satanic art. **Therefore, with the help of the SatanArt album of paintings from Slut Sodomia, you can check yourself and other people for belonging to Satanism and the presence of Satanic spirituality in you. The result is 100%, unless, of course, a person tries to masterfully hide it, i.e. lie. Moreover, they can lie not only to others, but also to themselves.**

SatanArt - test yourself for Satanism!

Slut Sodomia realized that with the help of the album SatanArt, which she edits, you can make a test for belonging to Satanism and the presence of inspiration by Satan. **Therefore, SatanArt albums are a litmus test for determining Satanism in a person.** For the album SatanArt №19, this also works, but is especially evident in pornographic releases of albums of Satanic visual art.

I believe that visual paintings, just like music, can enhance immersion in Satanism and give Satanic spirituality to people of different ages and nations. These are universal messengers of the ideas of gay Satanism and Slut Sodomia is very glad that so many talented graphic artists are working in the field of Satanic painting.

In this video, the concept of stupidity is well and accurately defined, although this video is not satanic. Dietrich Bonhoeffer is a German Lutheran theologian, pastor, participant in the anti-Nazi conspiracy and one of the founders of the Confessing Church. In history, he became one of the most famous martyrs of the 20th century. A year before his death, this Lutheran pastor began to adhere to the concept of "non-religious Christianity" and this partially brings his views closer to the pragmatic Satanists. Dietrich Bonhoeffer fought against fascism and Nazism of A. Hitler's SOCG, was a member of the German resistance to evil SOCG. Video in Russian language.

Especially in the last 20+ years, since 2000, there has been a massive emergence of excellent works about Satan, Satanism and Satanists. In literally two decades, there has been a rapid birth and development of the modern art of Satanism. The computer, graphics programs and digitalization of art played a very important role in this. I think that in the future, artificial intelligence and neural networks will also become assistants for many artists of Satanism.

ABOUT THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form and such a form does not exist. For a Satanist there may be a personal favorite form of Satan, and this is the form the Devil takes for the Satanist. I have already written about this in detail in the grimoire “Gay Lust”.

Allegory (from ancient Greek ἀλληγορία - allegory) is an artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is an artistic representation of abstract concepts and generalizations using specific figurative embodiments. The artist depicts and represents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death and similar concepts with living beings and specific images[8]. Anthropomorphism is a worldview concept expressed by nominative means of language, fine arts, etc. According to this principle, inanimate objects, living beings and fictional entities that do not have human nature can be endowed with human qualities, physical and emotional[9].

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher. More important than the painted image itself is the person's perception of the painting. It could be surprise, lust, delight and other feelings. It is precisely these feelings that are born from viewing the paintings in the SatanArt album that are important. It is these feelings that give spirituality to Satan or immerse the beholder in Satanism. Also, the paintings in the album convey the general aesthetics of Satanism - this is a special sensual satanic beauty. Therefore, in addition to immersion in satanic spirituality, albums of paintings instill in a person an aesthetic sense of beauty.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS FOR SATANART ALBUM – PNG, WEBP, JPG

I published all the images for the grimoire of gay satanism in PNG or JPG/JPEG format. For SatanArt albums of satanic art, I will additionally use the good and relatively new WebP format. WebP - (English WEB Pictures) image compression format, both lossy and lossless, proposed by Google Inc. in 2010 year. Based on the still image (key frame) compression algorithm from the VP8 video codec. Uses RIF container[10]. This format provides good image compression with decent quality. If you can't open WebP images, either update your software or install codecs that will allow you to see these images on your computer.

Most of all, I like the PNG format, which produces fairly high-quality images, which is especially important when printing books in a printing house or on a printer. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. The PNG format is designed to replace the older and simpler GIF format, and to some extent to replace the much more complex TIFF format[11].

I also use the classic JPG/JPEG photo format, although, in my opinion, this format is inferior to PNG and WebP formats. Thus, for the collection albums of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt, I will use three image formats PNG, WebP and JPG/JPEG. I will not use other image formats in 2025, although new and better formats for digital graphics may appear in the future and then it is worth using new products if necessary.

DISTRIBUTION OF THE ART APPLICATION OF GAY SATANISM SATANART IN DIFFERENT DIGITAL FORMATS

Albums-collections of satanic drawings of gay Satanism SatanArt in electronic form are released by the author in two formats PDF and DOCX [12]. The e-book is free to download in any of these formats. Also, the graphical application of gay Satanism SatanArt is distributed in the form of a single ZIP archive file, which contains versions of the book in both PDF and DOCX formats. These are formats for publishing the images themselves with text titles and comments on satanic graphics from Slut Sodomia. Applications of Gay Satanism SatanArt is a useful addition to the Gay Lust grimoire for spiritualizing a person through the visual images of Satanism.

I have collected the satanic art pictures in a separate appendix so as not to take up a lot of graphics space in the Gay Lust Grimoire itself. You can download collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt on the Internet, on the Darknet on sites in the onion domain zone through the TOR browser or through torrents. Titles of paintings and text comments will initially be available in Russian and English. The texts of the comments in English are published in the English version of the SatanArt add-on - this is a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia “Collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spiritualization of Satan SatanArt” is available in the following options:

- In Russian – with titles and comments of satanic paintings in Russian in DOCX, PDF formats and their packaged version in ZIP format.

[12] According to their purpose, electronic document formats can be divided into those that can be viewed and edited, as well as those that can only be viewed or only edited. For example, the PDF format is intended for viewing documents, and DOCX is intended for both viewing and editing.

- In English – with titles and comments of satanic paintings in English in DOCX, PDF formats and their packaged version in ZIP format.
- The full version of the visual application of gay Satanism SatanArt with separately located pictures in PNG, WebP and JPG/JPEG formats, packed in a fairly large ZIP archive. DOCX, PDF + separate picture files in PNG, WebP and JPG/JPEG formats.

Portable Document Format (PDF) is a cross-platform open electronic document format originally developed by Adobe Systems using a number of PostScript language features. Primarily intended for presenting printed products in electronic form. There are many programs for viewing, as well as the official free Adobe Reader program. The book format as a PDF file is convenient to read and distribute electronically. Typically, no distortion is observed when opening this format on different operating systems and in different programs.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Office from Microsoft. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening the DOCX file for work and editing in the original MS Word editor of this format from Microsoft, which is included in Microsoft Office 2019 and later. For reading and review, you can also use free programs that can open the DOCX format - LibreOffice Writer, OpenOffice Writer. Free programs may contain distortions in the document, offsets, errors in formatting and fonts. The author puts the book in DOCX format into the public domain for the purpose of publishing the book in paper form. This format can be conveniently formatted and edited.

ZIP is a widely used file archiving format that is used to compress one or more files in one location, reducing their overall size and making it easier to transfer data. Inside this archive there will be two book files in both PDF and DOCX formats, plus drawings of gay Satanism in the form of raster images.

To create ZIP archives and extract (unpack) the files they contain, special utilities can be used, for example terminal PKZIP and PKUNZIP or graphical WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip and many others.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as “illegal” and ban my book “Gay Lust”, as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

You can include multiple SatanSongs albums in one paper or e-book. You can distribute SatanArt books from Slut Sodomia for free or for a fee. As you wish!

I am not against the sale of SatanArt albums in electronic form and in paper form. These sales will help support the author financially and at the same time distribute the book. You can sell a book in any electronic format and publish it in physical form. The author asks for 20% of the cost of selling the book in electronic form and 20% of profits in paper format. Selling my book or other text, graphic, musical materials and documents from Slut Sodomia:

- this is a convenient way for sellers to make money on books;
- this is a convenient way for readers, Satanists and members of the LGBTQ+ community to support the author;
- this is a method of distributing books about gay freedom and gay love around the world;
- this is a method of distributing a book about Satanism, spirituality and our Teacher Satan.

FREE CONDITIONS FOR USE OF THE ELECTRONIC VERSION OF THE SATANART ALBUM BOOK OF ANY ISSUE

Electronic versions of SatanArt albums of any release can be distributed absolutely free under the terms of the license: “Attribution-NonCommercial-NoDerivatives” 4.0. TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man’s spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form

of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

ABOUT ADDITIONS TO THE GRIMOIRE "GAY LUST" FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire "Gay Lust" into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for immersion in the spirituality of Satan. Issues numbered. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums[13]. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic issues of the application of fine arts of gay Satanism SatanArt under numbers. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases "Don't hesitate to be a Satanist!" and "Don't be shy about being Satan!"[14]. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

I dedicate the collection-album SatanArt №16 to the exposure of evil, understanding the technology of evil, the fight against evil and the influence of the forces of Satanism on the entropy of evil in our world and in Hell. The collection consists of various pictures, many of which are posters or placards. Slut Sodomia has given a large role to evil in the form of fascism SOCG and liars of religion. These forces of evil work "in squares", involving billions of people around the world in their evil. The majority of the population of planet Earth do not resist evil and are its servants. The collection-album SatanArt №16 is puritanical, i.e. this album does not contain pornography or explicit erotica, and can be published on public Internet platforms with puritanical, sanctimonious and strict rules for content.

[13] Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

[14] This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

Image 1501. Satan is horrified by the stupidity, nastiness and brainlessness of the critters that are the main fertile biohumus of evil. The main villains: gangs of the SOCG, religion and stupid greedy freaks, of which more than 90% of the population of planet Earth

Image 1502. Satan drags the evil critter to Hell for a good and long roasting

Image 1503. The Kremlin's evil critters, Vladimir Putin, the tsars, the high priests and their religion, the USSR's false pentagrams stolen from the Satanists are burning in the entropy of Hell's purification. In our world and in the other world, the dimensions of Hell

Image 1504. Believing zombies of different faiths attack people. Religion is opium for critters before their long entropy in Hell.

Image 1505. The leaders of the SOCG of Europe and other occupied lands will burn in the entropy of Hell for occupying the land of people and imposing their fascist evil order. The figures of the senseless rule of the SOCG are evil

Image 1506. The anarchist flag poster is similar in spirit to the Satanic banner, only without the inspiration of Satan. The letter A lacks two sticks to Satanism: one stick is the Spirit of Satan, the second stick is the Entropy of Hell

Image 1507. The Evil of Religions Begets Evil: The Unnatural Generation of Suffering INRI

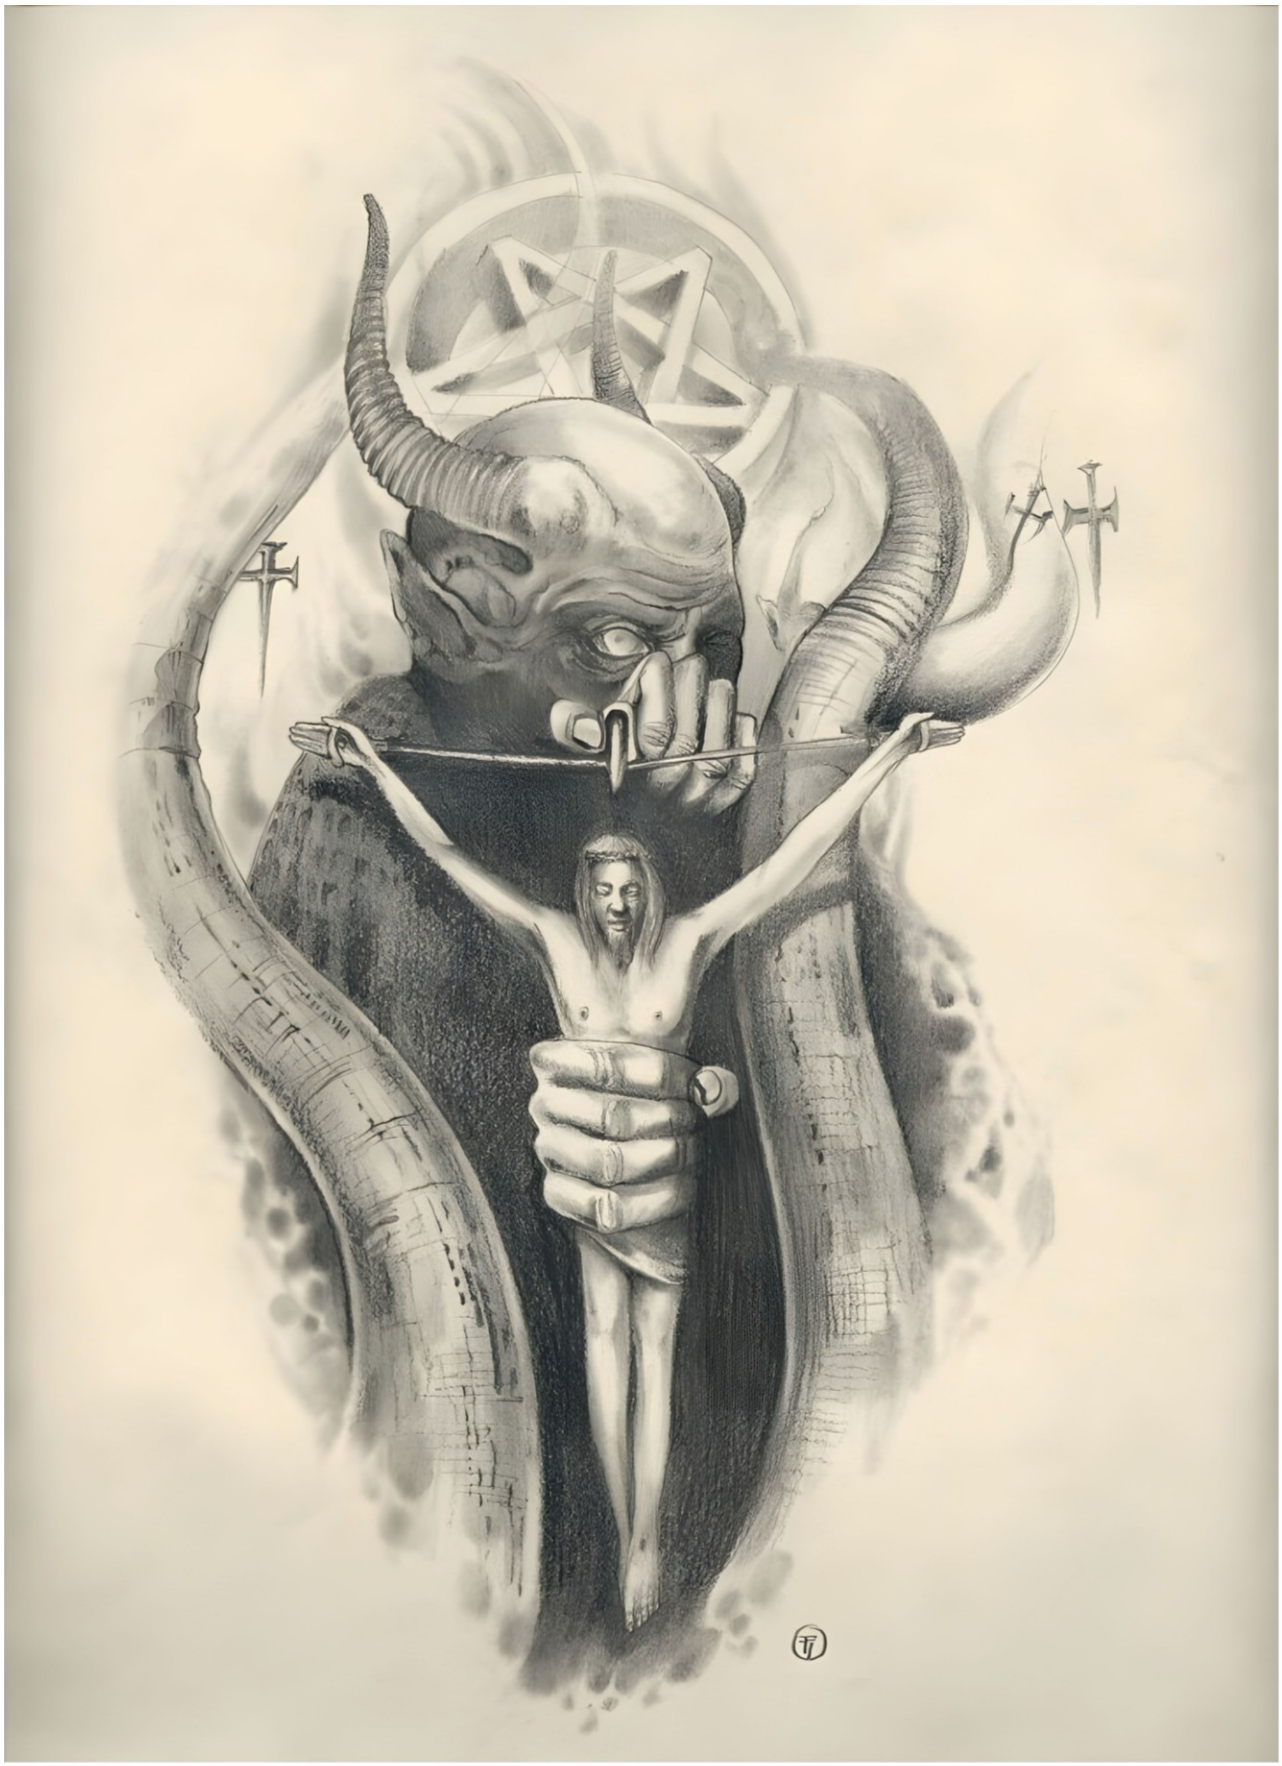

Image 1508. Satanism gives birth to the overthrow of evil, blasphemy and perverted mockery of the world of evil critters led by Satan and other Demons of Hell. Blasphemous drawing with a hellish slingshot

Image 1509. Orwellian states of America. Only government can use deadly force. Obedient citizens don't need guns. Weakness is strength, Self-defense is unpatriotic. Peace through surrender. Orwell's work remains influential in popular culture and in political culture, and the adjective "Orwellian"—describing totalitarian and authoritarian social practices

Image 1510. The Evil of Religion and Fascism against the Forces of Hell. The Evil Dove of the SOCG and Christianity against the Satanists

Image 1511. The world of an alternative reality of our world with a kind faggot-satanist Vova Putin

Image 1512. Evil stole the satanic pentagram from the satanists and uses it everywhere in our world. Many SOCG use stars on flags, in militarism and other evil that they organize. Theft and appropriation of satanic symbols - the pentagram sign - is a guilty verdict for the members of the SOCG gang from the Antichrist and Satan. You have violated all rights to use the satanist logo, critters!

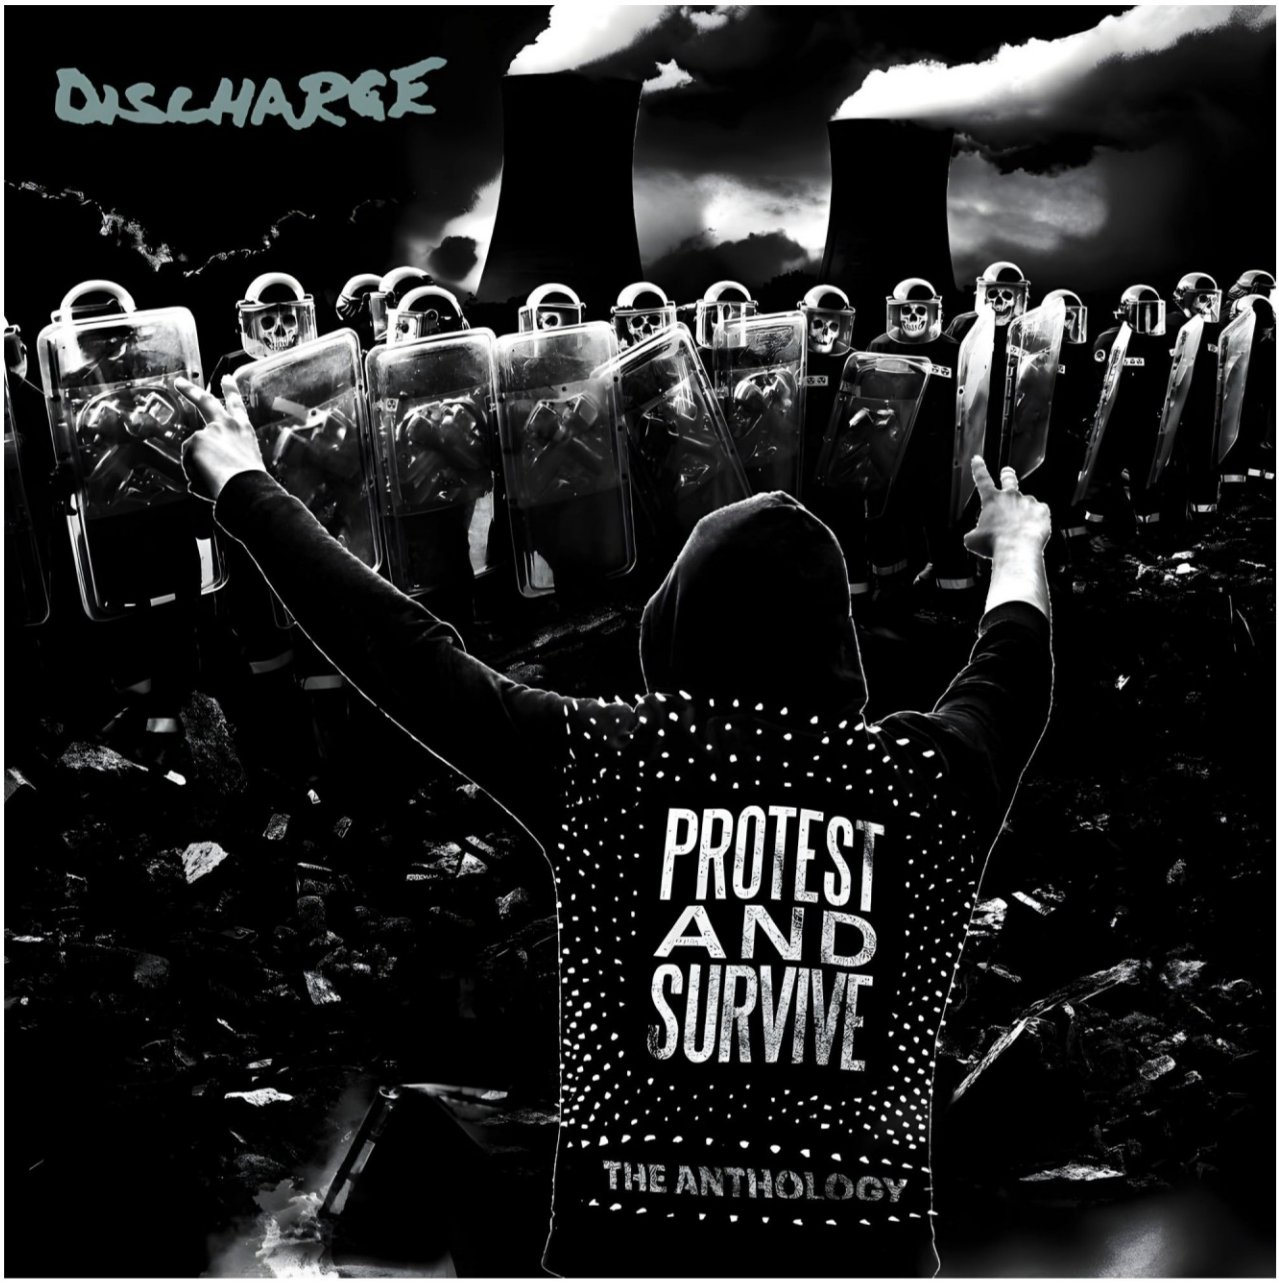

Image 1513. Protest and survive. Satanist metalheads forgiving the evil of the SOCG. Poster or cover of a music disc

Image 1514. The canonical image of a dumb critter, one of the gray mass of evil biohumus. Also, the picture is an icon of consumerism of the critters of our world

Image 1515. The evil of the SOCG is embodied. Evil relies on human biohumus, which supports this evil with conformism and voluntary participation in evil, observing the laws of the SOCG and the dogmas of religions

Image 1516. Obey with caution. Blind Acceptance can be hazardous. Poster against propaganda of evil SOCG

Image 1517. Obey with caution. Conformity can heighten anxiety. Poster against conformity with evil

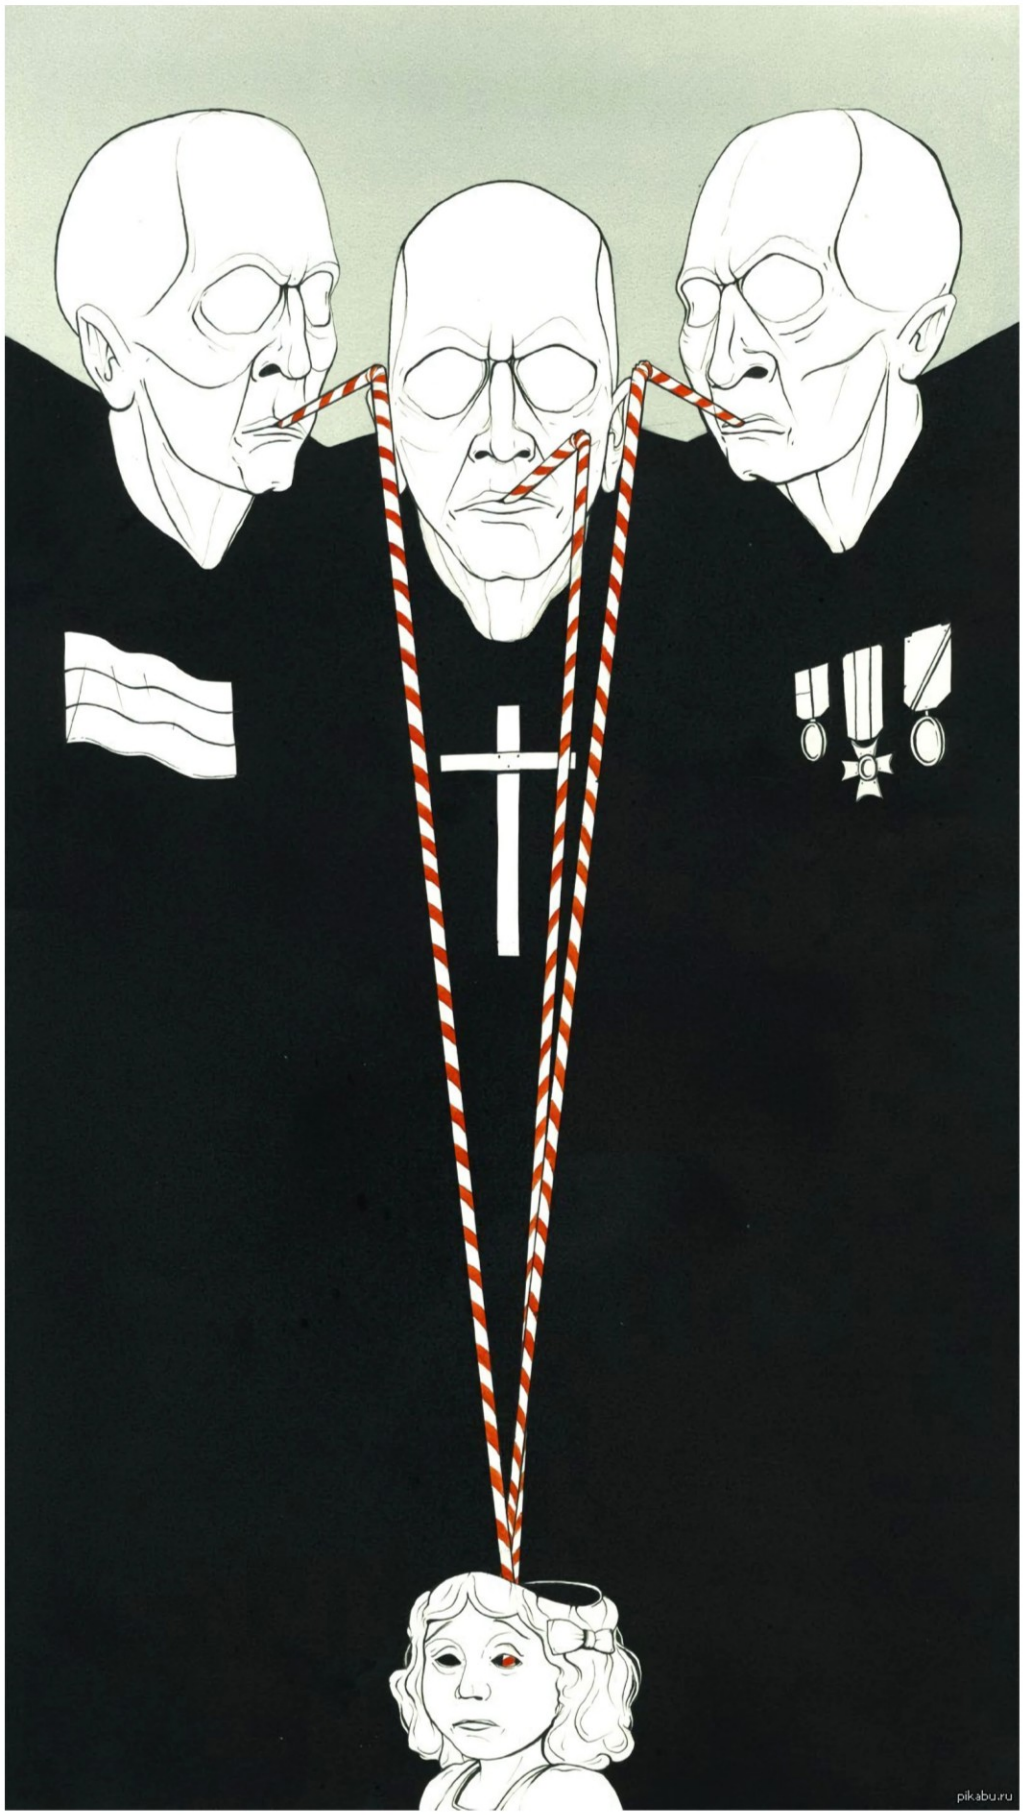

Image 1518. SOCG, religion and patriotism suck the brains out of children and adults

Image 1519. Antichrist and the forces of Satanism among the evil critters. Evil will be subject to entropy in Hell and in our world

Image 1520. Adults do not want to see the problems with evil around them, they hide their heads in the sand like ostriches. Such gray critters make up the majority of the population of planet Earth

Image 1521. Satanist goes his own way. Satanist denies religion and does not listen to the propaganda of evil.

Image 1522. High priests of religions in front of the image of the female symbol "Mirror of Venus". In fact, Venus personified the ideal woman: beautiful, independent, strong, intelligent and at the same time passionate. Her priestesses-hierodules gave love caresses to every visitor to the temple who wished

Image 1524. Do as he says, not as he does. Icon of Evil SOCG

Image 1525. Parents, members of a religious sect, want to drag their children into the sect. Another possible meaning of the drawing: adult uncles and aunts drag a new generation of critters into religion

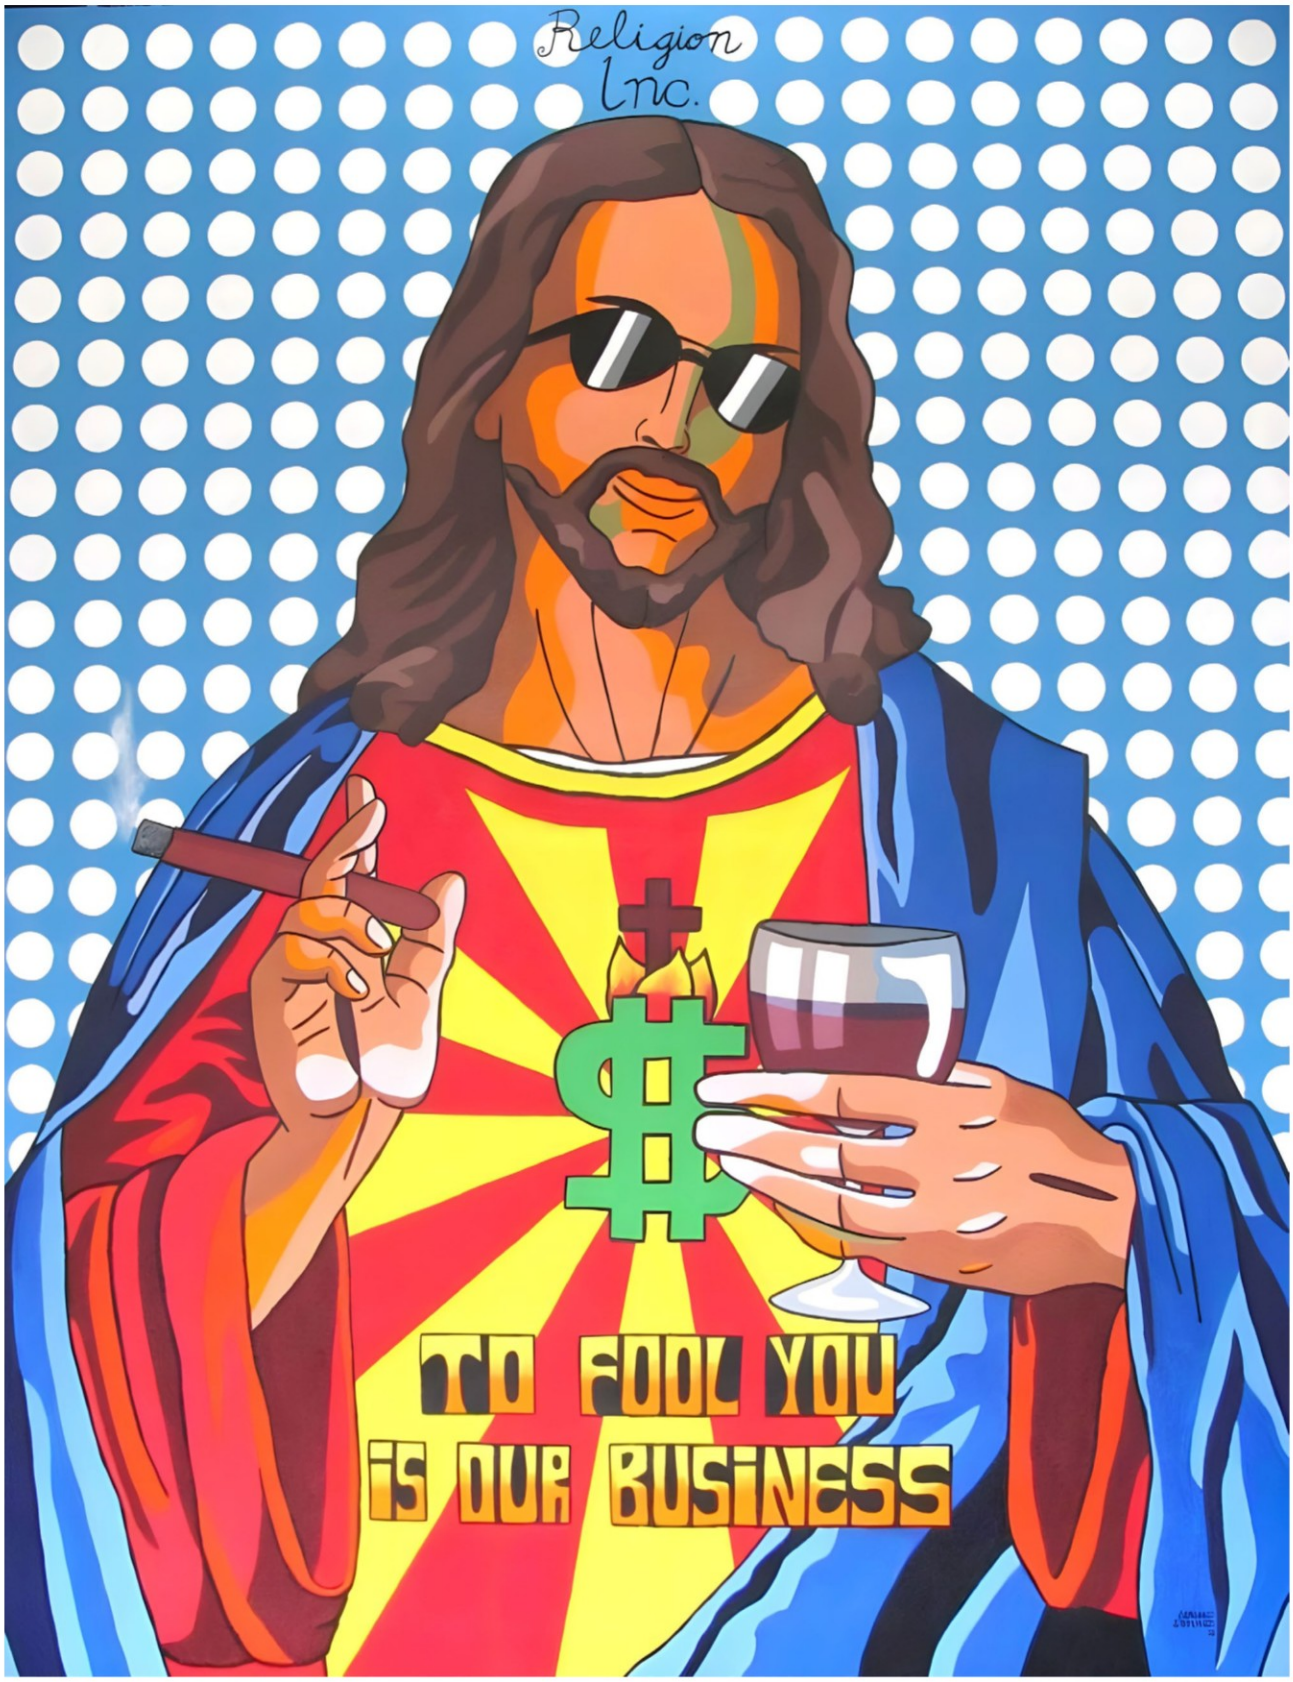

Image 1526. Religion Inc. To fool you is our business. Our business is to deceive you. Christian sectarians have made the Satanist Jesus of Galilee their god of evil and are making money off his name. The problem with Christianity is that their teaching is a lie and an evil method to prevent Satan from inspiring people.

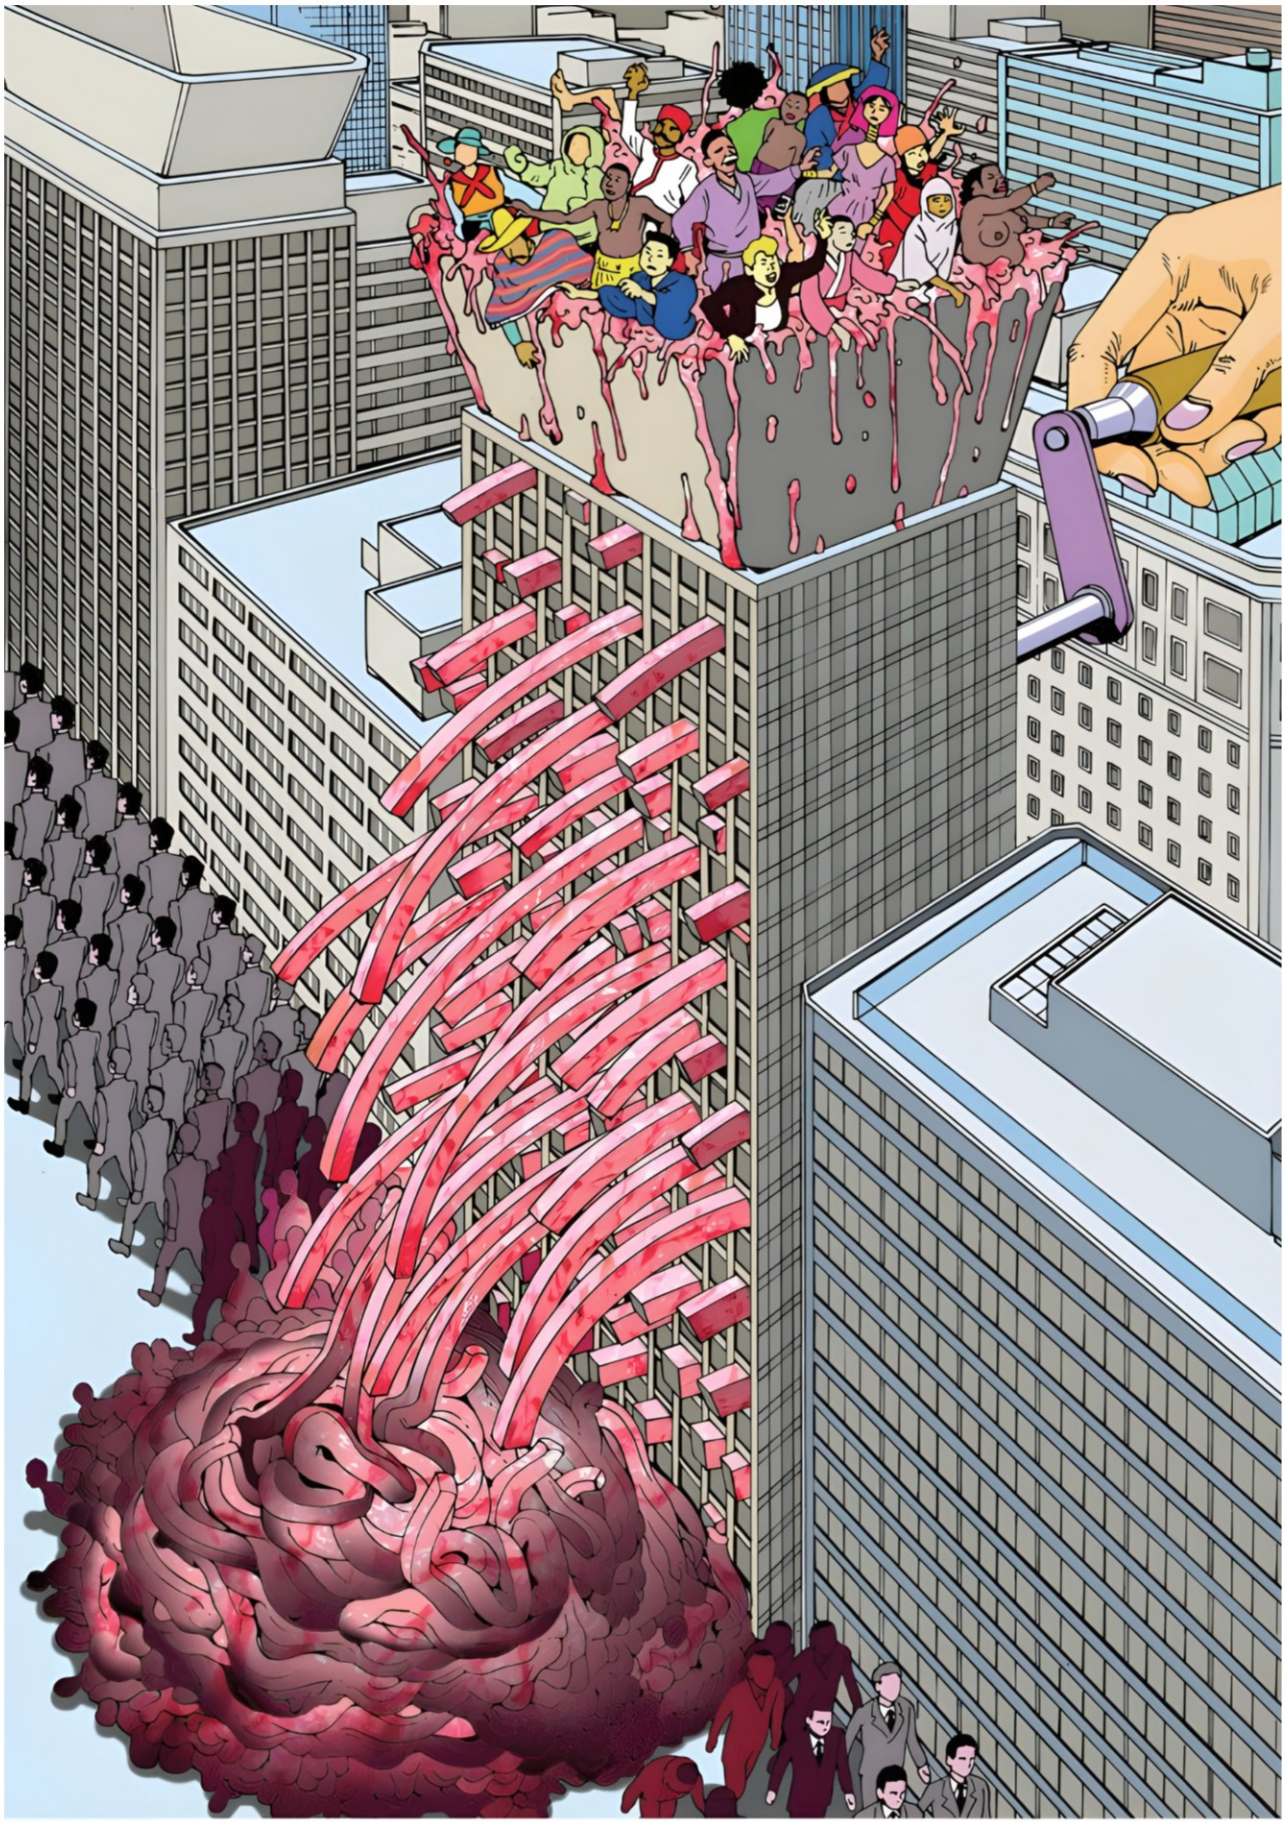

Image 1527. People who have been put through the meat grinder of the city, i.e. through urbanism, turn into city dwellers

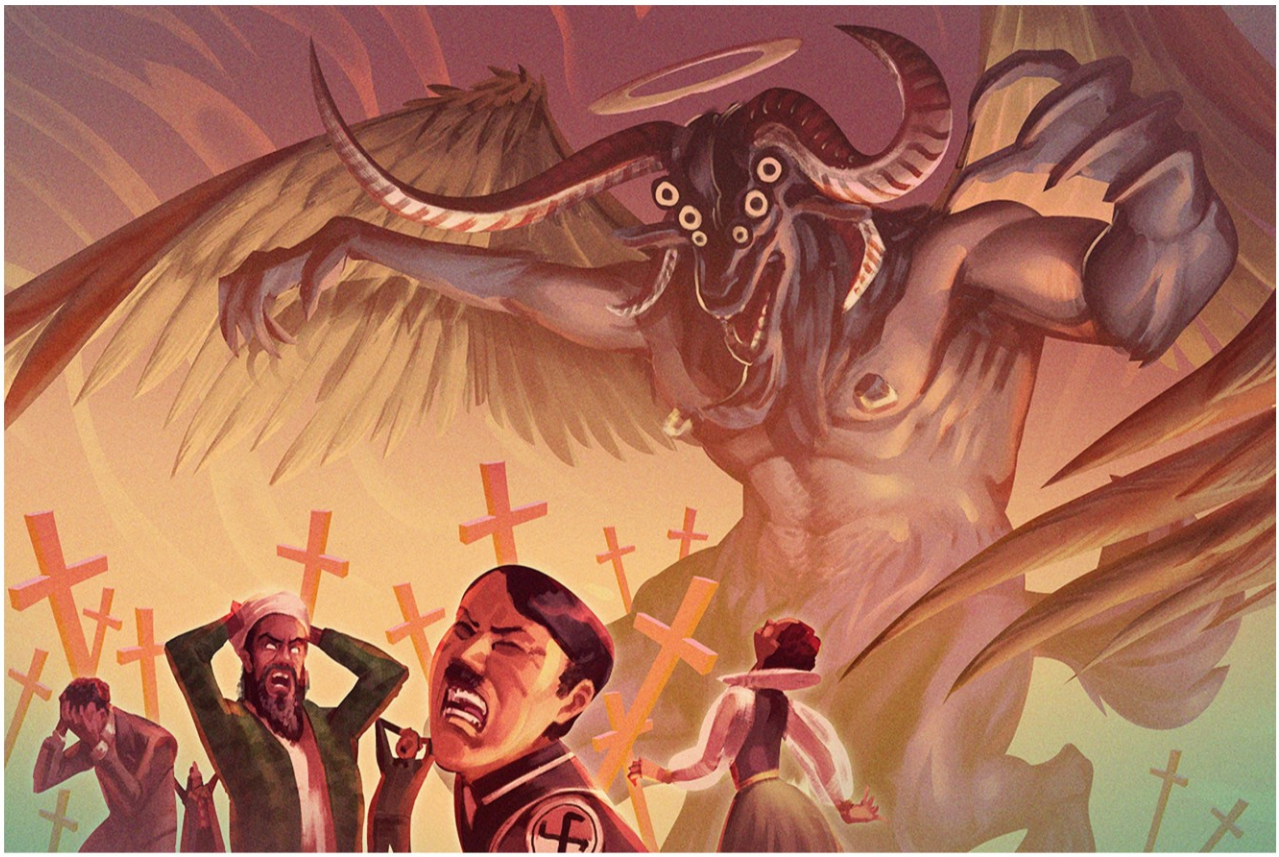

Image 1528. Satan is a horror for the critters of evil, already during their life in our world. The critters guess that revenge for their evil deeds will come from the forces of Hell. In our world and in Hell. The entropy of their essence

Image 1529. The critters of evil and the high society of the SOCG are the bearers of ugliness, stupidity, narcissism & narcissistic personality disorder (NPD)

Image 1530. Atheist. Poster from a Soviet anti-religious magazine. It is profitable for the bourgeoisie (i.e. the SOCG) armed from head to toe to preach "Love your enemies"

Image 1532. Hitler's swastika became Putler's Z-th letter during the attack on Ukraine. As long as the SOCG exists, there will be wars, militarism, propaganda, mass strife between nations, borders of occupied territories

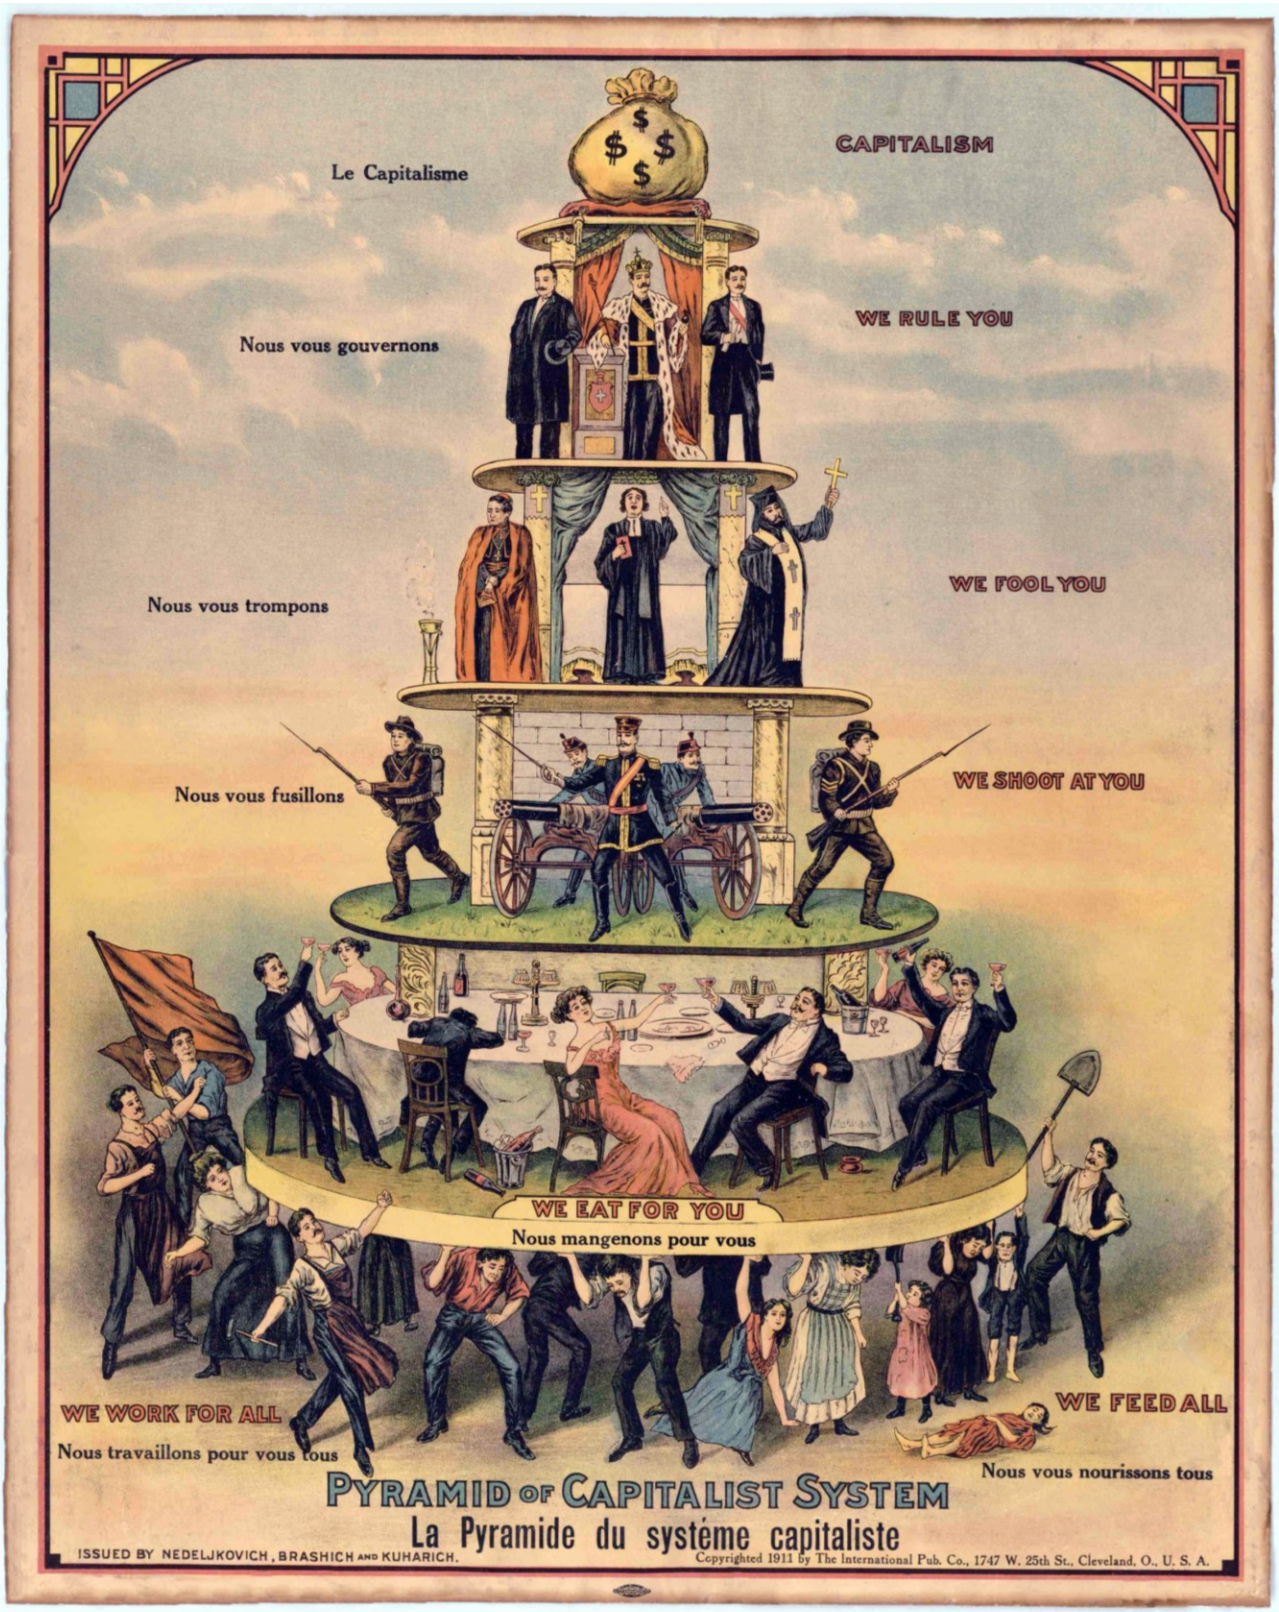

Image 1533. The pyramid of the capitalist system of 1911. In 2025, nothing has changed much. The critters do not learn from the mistakes of the past, but continue the pattern of evil, supporting class oppression and the capitalist system. Of course, capitalism has economic advantages, but power must turn into a system of economic self-government. The creation of SOCG fascisms must be prohibited and destroyed in embryo form. Fascism here is at all levels, above the bottom

Image 1534. Quasi-Satanic posters by artist Frank Shepard Fairey. Frank Shepard Fairey (born February 15, 1970) is a contemporary American artist, activist, and founder of OBEY Clothing, who emerged from the world of skateboarding.

Image 1535. The meat grinder of the SOCG (state) turns people into income for its life. The SOCG is a parasite on critters, creates a system of evil for deception, enslavement and turning people into mincemeat in war and in peaceful life. The meat grinder of the SOCG grinds all over the world. Any country is a meat grinder of the SOCG

Image 1536. The critters pray to evil and give birth to their own kind of freaks. The fascists always demand to give birth more, give birth faster and give birth to the most senseless offspring. This offspring of gray critters serves as biohumus for evil

Image 1537. The Evil of the US SOCG. All Masks Off. Donald Trump, the 47th President of the United States, has especially clearly removed all masks from the US democracy-shitocracy

Image 1571. In 1633, the Inquisition trial of Galileo Galilei, an Italian scientist and one of the founders of exact natural science, took place. Galileo was put on trial for his active defense of the heliocentric system of the world.

Galileo Galilei is known as the successor of the teachings of Nicolaus Copernicus. The scientist established that the Sun rotates around its axis and, based on his observations, concluded that rotation around the axis is characteristic of all celestial bodies and that the heliocentric system of the world proposed by Copernicus is the only correct one.

In 1632, the book "Dialogue Concerning the Two Chief Systems of the World - Ptolemaic and Copernican" was published. The book was written in the form of a dialogue between two supporters of Copernicus and one follower of Aristotle and Ptolemy. Despite the fact that the publication of the book was permitted by Pope Urban VIII, a friend of Galileo, a few months later the sale of the book was banned, and Galileo was summoned to Rome for trial, where he arrived in February 1633. The investigation lasted from April 21 to June 21, 1633. On June 22, almost at the same place where Giordano Bruno heard Galileo's death sentence, he had to kneel and recite the text of his recantation. In the last years of his life, he had to work in the most difficult conditions. At his villa Archertri in Florence, he was under house arrest and constant surveillance by the Inquisition. He was not allowed to visit the city, that is, Rome. In 1634, Galileo's beloved daughter, who was caring for him, died. Galileo wrote "Conversations and Mathematical Demonstrations...", where he expounds the basics of dynamics. In May 1636, the scientist negotiated the publication of his work in Holland, and then secretly sent the manuscript there. Soon he lost his sight. "Conversations..." was published in Neley-de in July 1638, and the book arrived in Archertri almost a year later - in June 1639. Galileo Galilei died on January 8, 1642, and was buried in Archetree, without honors or a tombstone. In 1737, Galileo's last will was fulfilled - his ashes were transferred to the monastic chapel of the Cathedral of Santa Croce in Florence, where on March 17 he was solemnly buried next to Michelangelo.

Image 1572. Lobotomy by the Crucifix Holder. The leaders of various Christian sects forget that the torment of the Satanist Jesus of Galilee was committed by the fascists of the Roman SOCG and the Jewish high priests to "save humanity". The evil of religion and the state does nasty things to "save" the critters? And what if the same evil actions were done to the priests to save humanity from their lies?

Image 1573. Soviet anti-religious poster. God with various saints – i.e. with crazy sectarian critters. More details about the "Lives of the Saints" can be read in Orthodox collections, which were called "Lives of the Saints". A large number of their volumes were published

Image 1575. Religion and the SOCG always work together. The Inquisition is now replaced by other harassments

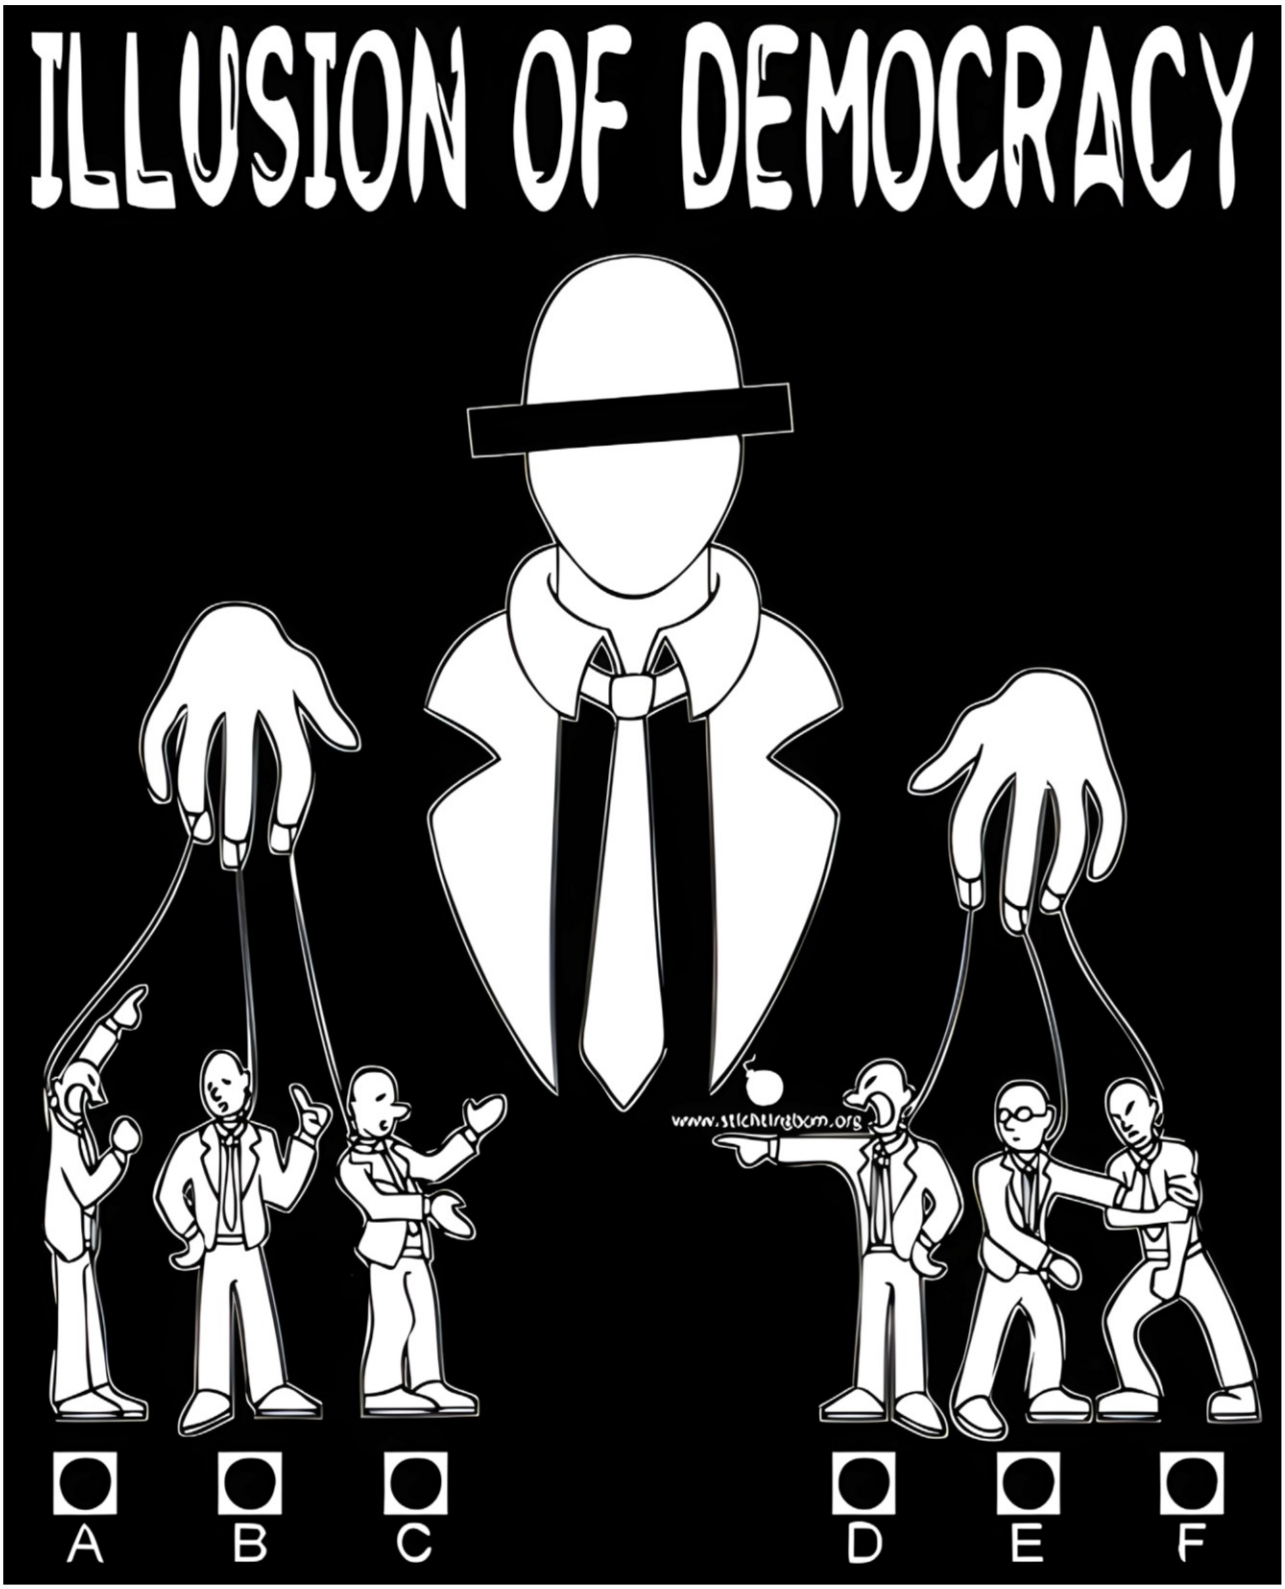

Image 1576. The illusion of democracy. If you think that you go to the polls and choose "your candidates" or "your policy", you are mistaken. Electing unknown critters who are better than others at pulling the wool over your eyes is not a rational action. Everyone who goes into politics is either a vile critter (more than 90%) or naive people (1-10%).

Image 1579. Sectarians are guided by the dogmas of religious teachings. The Koran, instead of reason, awareness and genuine spirituality, leads critters to the Hell of entropy. Sectarians live a meaningless life in lies and in the filth of their dogmas.

Image 1580. Christian sectarians are very fond of using symbols with a torture machine on a cross, with a person nailed to the cross. In Hell, they will be able to enjoy their favorite attribute of torture.

Four Martyrs Burned at Canterbury: 1555.

Image 1587. The Canterbury Inquisition in 1555. Fascists and sectarians are connected

Image 1588. Torture in court was practiced by Christian sectarians and feudal fascists

In the Middle Ages, the Church exerted the greatest influence on society. If the court had no evidence of guilt, the person was subjected to torture. During the physical abuse, the suspect could either confess to everything or endure the ordeal. In the second case, all charges were dropped. It was believed that God himself assured the public of the innocence of the detainee. The term "inquisition" comes from the Latin "inquisitio", meaning "interrogation, inquiry". The term was widespread in the legal sphere even before the emergence of medieval church institutions with this name, and meant clarifying the circumstances of the case by investigation, usually through interrogation, often with the use of force. And only over time did the Inquisition come to be understood as spiritual courts over anti-Christian heresies. The Inquisition was a special investigative and judicial body under the Catholic Church in the 13th-19th centuries, the main task of which was to combat heresies and dissent. Initially, from the beginning of the 13th century, in the south of France, judicial proceedings were carried out by monks of the Cistercian order. Under Pope Honorius III (1216-1227), the papal inquisition spread to the territory of Italy. In 1231-1235, Pope Gregory IX (1227-1241) transferred the functions of the inquisition to the monks of the Dominican and Franciscan orders and by 1232 introduced permanent inquisitorial tribunals in Italy, Germany, Spain, Portugal, France, the Netherlands, and later in Mexico, Brazil, Peru. By the verdicts of the Inquisition, hundreds of thousands of people were condemned to death for alleged connections with the devil and witchcraft. Its victims were outstanding thinkers and scientists of the past Jan Hus, Girolamo Savonarola, Giordano Bruno, Galileo Galilei, Tommaso Campanella, Nicolaus Copernicus. In most Western European countries, the Inquisition was abolished as a judicial institution in the 18th century. The last execution by an Inquisition tribunal took place in 1826 in Valencia.

Image 1589. Satan repays the Christian lie to evil. This is a figurative picture. The Satanist Jesus of Galilee did not create the lie of Christianity, he did not even write the grimoires himself. However, evil used the image of the Satanist Jesus for its own vile purposes and created a religion of worship of evil and non-resistance to evil.

Image 1594. The freaks from Russia are incorrigible critters. Even 35 years after the collapse of the empire of lies and violence of the USSR, the critters from Russia dream of the return of their traditional evil. V. Putin is promoting the idea of restoring the Soviet empire of evil. These are the "traditional values" of Russians - to rob, to shit and to breed freaks

Image 1600. Satan in Hell among various critters. Torment and entropy for critters is carried out by all the forces of Satanism in Hell. Therefore, evil will suffer for a very long time and will not get used to the torments of Hell. All over again, all in a spiral. The awareness of evil of its insignificance and nastiness is the main method of informational entropy of evil. Critters are horrified by themselves

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art , without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay satanism are satanic music and graphics:

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

Collections of Satanic music videos, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

1. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 1
2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2
3. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 3
4. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 4

There will be free and paid placement of clips of gay Satanism:

1. I will post all the clips for free on the Internet, on the Darknet, in torrents and in Telegram. All music videos from Slut Sodomia in these first five collections will be free. The clips will be posted on video hosting sites with the gay Satanism logo.
2. I will post text albums with these songs for free, in the form of DOCX and PDF files. You will be able to read the lyrics and a list of these songs.
3. For a fee, I will sell archival video compilations of Satanic music videos, each containing 100 songs. Initially there will be 5 archival collections of satanic music videos. Having a local copy of Slut Sodomia's satanic music videos on your computer or music media center is convenient. You don't have to search for these songs on the Internet yourself. The paid version with the archive was made in order to support Slut Sodomia, as the author of this collection and as the author of gay Satanism. Therefore, the payment for this musical content is conditional and voluntary . Paid versions of music videos will be available without the logo and with the gay Satanism logo, and in maximum quality.

It is possible that I will create additional music albums of satanic videos if necessary.

Collections of satanic drawings, photographs and other graphics of gay Satanism were created for the most part by spiritual people, most of whom are Satanists or LGBTQ+ people. The themes and genres of these drawings are completely different, but they are united by the fact that viewing these drawings spiritualizes a person with Satan on a subconscious and conscious level. More precisely, these collections of satanic drawings can be called the visual aesthetics of gay Satanism. Of course, visual aesthetics spiritualizes a person.

There will be free and paid placement of drawings of gay Satanism:

1. For free, Slut Sodomia will publish satanic pictures with the logo of gay Satanism on the Internet, on the Darknet, in torrents and in Telegram. These pictures will be posted, each separately. The quality of these drawings will be lower than in paid collections.
2. DOCX and PDF collections of satanic drawings of gay Satanism, each containing 500 drawings, will be sold for a fee. In paid DOCX and PDF collections of graphics of gay Satanism, the quality of the drawings will be maximum. There will also be no gay Satanism logo on the drawings themselves. The collections will be thematic and periodic. The annex to the collections will include ZIP archives with individual images in JPG / PNG / WebP formats.

The drawings in paid collections will be divided into thematic sections. I will give an approximate composition of the topics to which the drawings of gay Satanism will be devoted, in accordance with the short names of the directories (in order to roughly understand the composition of the graphics of gay Satanism):

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money[15] issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world[16].

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the evilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

[15] https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

[16] Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus https://www.exodus.com/
2. MetaMask https://metamask.io/
3. Trust Wallet https://trustwallet.com/

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy

cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action .
